

# SAFE SANCTUARIES

---

## Travel Permission Form for Youth (Grades 6-12)

First United Methodist Church will provide Safe Sanctuaries cleared drivers for all events requiring or offering transportation. This form must be on file if parents elect to give permission for their youth to ride to school from the youth breakfast or from one FUMC event to another publicized FUMC activity or event with a driver less than 21 years of age.

Permission is not required for family members to ride with another family member under 21.

It will be understood that youth riding to an event with another youth has been given permission by the parent to leave with that youth.

This permission is expressly for events where transportation is sponsored, provided or offered by FUMC.
