A PARENT'S PRAYER

*With hearts "brim-full" of happiness we give You humble praise
For this precious child with trusting eyes you've given us to raise.*

*Somehow the days seem brighter the skies above more fair
Since you've placed this flower in our arms to tend with loving care.*

May every corner of our home ring with laughter, love and prayer

And be a pleasant haven in a world so torn with care.

*Grant us Your wisdom as we teach our child to stand pure and tall
And to love You, Heavenly Father, Who ruleth o'er us all! Amen.*
